Washington, Tersitary Ministrog, Feb. 14, 1861.

The Peace Conference promies to real ze very quickly the hightest anticipations of those who beyed for a good result from its assemblage. The Committee, of which Mr Guthria is chairmen, have agreed upon a report which will be usuale to the Conference in morrow, and will be edepted by that body, and anisequently by Congress. The Report is in datall substantially the proposition submitted by Mr. Guthris on the part of the Kentucky Commissioners. Its provisions are similar to those of the Resolutions of the Border State Caucus, offered in the House of Representatives

Peace Congress not to consent to a compromise of any kind.

The result of the Missouri election oreated great excisement among the accessionists. They consider it an indication that Missouri will remain in the Union under eny circumstances.

T. Kingmen, formerly a member of Congress from South Carolina, received e letter to-day, stating positively that Fort Sunier will be taken twhatever cost before the 4th of March. The same letter also elates that South Carolina will demand from the Montgomery Convention eguar-

and outh Caroline and Florida will have to be treated like naughty children, and made to behave themselven and q it using Uncle Sam's firedram without permission.

The prospect of a restoration of peace gives to the Federal metropolis more animation and gaiety then has been seen during the whole winter.

NEW YORK, Feb 23,

MONDAY, FEBRUARY 25, 1861. Tonacco.-The fire price now being paid for The States that have gone into the rather earlier than usual. The receipts of the

hend, find their European expectations bitter-ly disappointed. They have reckoned with the most perfect confidence upon the prompt Boone. and glad recognition of the independence of

if hy authority, that the Government had re- Walden, of Herderson county; next two to C. solved to adhere steadily to the policy of not Slaughter, of Owen county; and the last one to recognizing the independence of a Southern James A Taylor, one of the largest planters of Government until it should be recognized by the United States. Moreover it is now stated unthoritatively that the whole matter of secession has been brought by Lord John Rassell before the British Ministry, as also subordinate matters of defection, clearance, &c., and the declaration made that not only will there be no recognition by Grent British of the Southern Confederacy, but that exerciting will be done. Could deracy, but that everything will be done clever f llows, Spratt, Bourn, & Co., the whole of to discountenance disunion. In addition to all that tobacco trade will fall into the lap of Louis-this, it is stated that the Emperor of France ville, instead of seeking the distant markets of has demunded an explanation of the French New Orleans and New York. The prices now has demanded an explanation of the French legation at Washington as to the connivance of the French Minister with Slidell and others in year. In enother column we have touched noon There is, we think, every probability that no we refer our readers. Southern Government will be able to secure ony valuable European recognition unless first

reognized by what will continue to be known Burope as the United States. Now we INDIANA IN COUNCIL, INDIANAPOLIS, Feb. 23, 1861. n Europe as the United States. Now we have no commerce, it can send no ministers or of Posey county, on whose motion Hon. Wm. K. consuls abroad, and it will receive no foreign | Elwards, of Vigo county, was called to preside ministers or consuls at home. Such a coudi- over the Convention, and Mr. Carnahan called tion of things must undoubtedly bring on a upon Hon. T. A. Hendricks and Gov. Hammond then has been seen during the whole winter.

Little else is thought of, and preparations are making for the celebration on a grand scale of Washington's birth day. It will be a noble tribute to the memory of the Falber of his Country if the passage of the peace measures should be announced upon that day. It is recommended the twenty-second of February shell the everywhere observed with accountry shell the everywhere observed with accountry shell the everywhere observed with accountry shell the everywhere observed with accountry. To be sure, the mere refusal of the old United States government to acknowledge the independence of the South, could not, by the appointment of correction of war on the part of the South against the North; yet the South, borns down by the utter prostration of business and districts to nominate.

States government to acknowledge the independence of the South, could not, by the appointment of ore Vice President, Mr. Edwerds to the chair. He was received with load applause.

After an dependence of the South, could not, by the appointment of ore Vice President from each Congressional District, which, efter several motions in regard to decleration of war on the part of the South against the North; yet the South, borns down by the utter prostration of business and districts to nominate. to desperation by the denial of any place what-Montgonery, Peb. 21.

On motion of Mr. Cobb it was resolved that the Finance Committee be instructed to inquire into the expediency of levying on export duty or cotton. Adopted.

The President nominated and Congress continued Toomles Secretary of State and Memminger Treasurer, L. Pope Walker Secretary of War.
